Many of our youngest students miss 10 percent of the school year—about 18 days a year or two days every month. Chronic absenteeism in kindergarten, and even PreK, can predict lower test scores, poor attendance and retention in later grades, especially if the problem persists for more than a year. Do you know how many young children are chronically absent in your school or community?

**WHO IS AFFECTED?**

**1 in 10 kids** in kindergarten and 1st grade are chronically absent. In some schools, it’s as high as 1 in 4.

2 in 10 low-income kids miss too much school. They’re also more likely to suffer academically.

**2.5 in 10 homeless kids** are chronically absent.

4 in 10 transient kids miss too much school when families move.

**WHY IT MATTERS**

If children don’t show up for school regularly, they miss out on fundamental reading and math skills and the chance to build a habit of good attendance that will carry them into college and careers.

**WHAT FAMILIES CAN DO**

*Find out what day school starts* and make sure your child has the required shots.

*Build regular routines* for bed time and the morning.

*Talk about the importance of regular attendance* and about how your child feels about school.

*Don’t permit missing school* unless your child is truly sick. Use a thermometer to check for a fever. Remember that stomach aches and headaches may be signs of anxiety.

*Avoid medical appointments and extended trips* when school is in session.

*Keep a chart* recording your child’s attendance at home. At the end of the week, talk with your child about what you see.

*Develop back up plans* for getting to school if something comes up. Ask a family member, neighbor or another parent for help.

*Seek support* from school staff or community groups to help with transportation, health problems, or no safe path to school.

Attendance Heroes
Everyone can be an attendance hero.

Good attendance helps you become a strong reader and do well in school.

How do I get good attendance?
Don’t miss more than nine days during the school year, or no more than two days every report-card period.

Do I have to be on time, too?
Yes, every day counts, start to finish, especially because reading is taught first thing in the morning.

Family Checklist

Pledge of Attendance

STUDENT PLEDGE:
I, _____________________________, pledge to attend school and class, every day, on time. If I am absent from school, I will turn in an excuse note as soon as I return and will complete all of my assignments that I missed.

I will respect myself, my education, and my community by having good school attendance and by being involved in my education. I will come to school prepared to learn and with a positive attitude.

By signing this pledge, I agree to do my best, each and every day!

PARENT PLEDGE:
I, _____________________________, pledge to help my child to attend school and class, every day, on time. If my child is absent from school, I will send an excuse note as soon as he/she returns and will make sure that he/she completes all of the assignments that he/she missed.

I understand that regular attendance and punctuality are vital parts of my child’s success. I agree to help monitor my child’s daily attendance and to partner with the school if my child has any issues.

By signing this pledge, I agree to support and encourage my child to do his/her best, each and every day!

WHY IS IT IMPORTANT THAT MY CHILD ATTEND SCHOOL?

When children miss a day of school (or arrive late or leave early) they are missing out on opportunities to strengthen their reading, learn new subjects, or build friendships. Research shows that children who attend every day, on time are more likely to achieve and excel academically.

WHAT SHOULD I DO IF MY CHILD IS ABSENT FROM SCHOOL?

For all absences, parents are required to write an excuse note giving the child’s name, classroom, date(s) absent and reasons for absence. Schools must receive the excuse note within three days following your child’s absence.

All absences of three or more days in a row also require a doctor’s note. When a student has been absent, excused with a parent note, totaling eight (8) days (cumulative), all subsequent absences require a doctor’s note.

DOES BEING LATE OR LEAVING EARLY IMPACT STUDENT ATTENDANCE AND HURT SCHOOL PERFORMANCE?

Yes, when your child is tardy or leaves early, they are missing out on instructional time and classroom activities. Any K-8 student coming to school two hours after the start or leaving two hours before the end of the school day will be marked as absent one half-day.

WHAT IS THE DIFFERENCE BETWEEN AN EXCUSED ABSENCE AND AN UNEXCUSED ABSENCE?

**Excused:** The following conditions are considered excusable: authorized school activities, illness, quarantine, recovery from accident, required court appearance, and a death in the family. Funeral leave as follows:

Five (5) days, including day of funeral: parent/step-parent, child.

Three (3) days, including day of funeral: sibling, grandparent/step-grandparent, resident of same house.

Day of funeral: aunt, uncle, first cousin, niece, nephew.

**Unexcused:** Absences are unexcused if (1) they do not meet any of the above-listed conditions and (2) if the school does not receive a signed excuse note from a parent.

Family vacations on school days are considered unexcused absences. Please use our District calendar to plan family vacations as well as doctor visits around school days: philasd.org/calendar.

WHAT HAPPENS IF MY CHILD IS TRUANT?

Students are considered truant when they have three illegal unexcused absences. If your child is truant, the school will generate a Third Day Illegal notice to send home. If your child continues to be truant you will be invited to attend a conference where a Student Attendance Improvement Plan (SAIP) will be created in order to support you and your child in identifying and removing attendance barriers. If the plan is in place and your child continues to be truant with ten or more illegal unexcused absences, a truancy referral may be made to the Office of Attendance and Truancy.

WHAT SHOULD I DO IF MY CHILD’S ATTENDANCE RECORDS ARE INCORRECT?

If you feel there is an error/discrepancy on your child’s attendance record, you have the right to address it with the school. Be ready to present proper documentation about the change you’re requesting. Once all required information is provided to your school, either the principal or designee can approve the change for the current school year.

Any changes to a prior year’s records must be completed by the Office of Attendance and Truancy. All such requests can be forwarded to attendanceandtruancy@philasd.org or mailed to:

PARENTS, WE'RE HERE TO HELP.

We know it takes a lot to get children to school every day, on time. Thank you for doing what you do to make daily, on time attendance a family goal to help your child succeed in school.

We want to help keep your child from falling behind, so please tell us as soon as possible if your family is facing challenges related to transportation, health issues, housing instability, tough work schedules, or anything else so we can try to come up with a solution together. Meanwhile, we hope these resources help. Ask your school for copies of handouts or download them at readby4th.org/attendance or on the Office of Attendance and Truancy page at philasd.org.

STUDENT HEALTH

When Sick is Too Sick for School. Not sure about sending your child to school or keeping them at home when they're feeling sick? Keep this handout handy. Talk with your child's school nurse, and check the District's site for updated policy information, including about asthma: philasd.org/studenthealth.

Mental Wellness /Drug and Alcohol Support. Resource for children and families seeking, or in need of mental health, behavioral counseling, and/or support: philadelphia.pa.networkofcare.org/mh.

Community Behavioral Health is the city-operated health maintenance organization for persons needing mental health care. Substance abuse treatment (through the Coordinating Office for Drug and Alcohol Abuse Programs-CODAAP) can also be accessed through CBH. Medical Assistance patients should call this number first for information and referrals: 215-413-3100 or 1-888-545-2600. The crisis hotline number is 215-686-4420. dbhids.org/community-behavioral-health

Call the number on the back of your insurance card if you need help getting connected to a medical provider. For those who don't have insurance, this website lists free health clinics in Philadelphia: freeclinics.com/cit/pa-philadelphia.

EMERGENCY FUNDS + FINANCIAL ASSISTANCE

For students experiencing a crisis, emergency funds may be available through philasd.org/homeless/programsservices/emergency-funding and cradlestocrayons.org/philadelphia/family-assistance.

For students facing homelessness or housing instability, the Office of Education for Children and Youth Experiencing Homelessness can help with uniforms, coats, tutoring, transportation and other things. Email ECYEH@philasd.org or call 215-400-4830, Option 4.

The Low-Income Home Energy Assistance Program (LIHEAP) can provide help paying energy bills: dhs.pa.gov/citizens/heatingassistance-liheap.

The Pennsylvania Department of Public Welfare provides cash assistance, medical assistance, and energy assistance. To find out if you qualify, call the general helpline at 800-692-7462.

FAMILY SUPPORT

**In-home case management services and support.** Families can refer themselves for in-home case management services and support with health, financial, heating, electrical, and transportation issues through the Family Empowerment Services Program. Call the DHS hotline: 215-683-4000, then select menu option #5 and ask to be referred to the Family Empowerment Services Program.

**NUTRITION ASSISTANCE PROGRAMS**

Supplemental Nutrition Assistance Program (SNAP) benefits are available through an Access card, which works like a debit card. Use it to buy food at supermarkets, corner and convenience stores, and most farmers’ markets. Find out if you qualify today. Call the SNAP Hotline at 215-430-0556.

Low-income pregnant and breastfeeding women, new moms, and children under age 5 can receive food, health screenings, and nutrition counseling under the Supplemental Nutrition Program for Women Infants and Children (WIC) program. Call 1-800-743-3300 to find out if you are eligible or visit wicprograms.org/ci/pa-philadelphia.

The Coalition Against Hunger connects families and individuals with food pantries across the city: hungercoalition.org.

**LEGAL ASSISTANCE**

The General Intake Unit provides legal advice and referrals to clients with a wide variety of legal problems. Applicants must meet financial eligibility guidelines. To see if you are eligible, visit philalegal.org/intakeunit or call 215-981-3800.

**EMERGENCY HOUSING**

The City of Philadelphia provides emergency and temporary housing to persons experiencing homelessness, as well as case management assistance to assist households with obtaining appropriate long-term housing. philadelphiaofficeofhomelessservices.org/find-a-place-to-stay/emergency-housing.

If your family is experiencing housing instability, contact the Office for Education for Children and Youth Experiencing Homelessness to learn what resources they can offer to support your family during this period. ECYEH@philasd.org or call 215-400-4830, Option 4.

**CHILD CARE ASSISTANCE**

**REFUGEE + IMMIGRANT PARENTS**

Nationalities Services Center offers free and/or low-cost translation and interpretation services for non-English speaking and English language learners, as well as other social and educational services. nationalitiesservice.org

The following checklist includes important things to remember to discuss with your school's nurse.

- **Tell your school nurse about your child's recent or long-term health problems.** The school nurse can work with you to develop a plan to lessen the chances that health problems will get in the way of your child's attendance and learning in school.

- **Make sure to share any updates about your child's health condition with the school nurse as soon as they occur.** There are forms that the school nurse will provide to you so that you can tell the school about your child's health history. Those forms should be given to the nurse at the beginning of the year. You can also update the forms at any time of the year with new health information.

- **Your school nurse will let you know if we do not have up-to-date records of your child's shots.** The nurse will send a letter home to you with the list of shots that your child needs. Please take the letter to your child's health care provider. Your provider will update the shot record if your child already had the vaccine or will provide proof that your child is no longer at risk for the infection. If your child needs to receive the shot, your provider will give the vaccine. It is important that you follow up with your school's nurse after your visit with the health care provider so we can update your child's school health record.

- **The school nurse can provide you with a list of resources if you need any help accessing health care or other essential needs.**

- **If your child has a chronic health condition like asthma or diabetes the school nurse can help you keep your child healthy, in school and able to learn.** Chronic health conditions do not have to stop your child from coming to school. Remember to share information about your child's health condition with the school nurse, including any medications needed.

- **If any of your contact information changes during the school year, please notify the school's main office and the school nurse.** This will help us to contact you and follow up with any important information you need to know regarding your child.
“I DON'T FEEL GOOD” WHEN SICK IS TOO SICK FOR SCHOOL

Talk with your child’s school nurse addressing any questions or concerns about your child’s health.

SEND TO SCHOOL

- No other symptoms but a runny nose or just a little cough.
- No fever in the past 24 hours without fever-reducing medicine.
- No vomiting or diarrhea for 24 hours.

KEEP AT HOME

- Fever higher than 100.5 degrees even after taking medicine.
- Vomiting or diarrhea in the past 24 hours.
- Eyes pink and crusty.

CALL THE DOCTOR

- Fever higher than 100 degrees for more than two days.
- Vomiting or diarrhea for more than two days.
- Sniffles for more than a week, and not getting better.
- Asthma symptoms after using asthma medicine.

Call 911 if your child is having trouble breathing after using an inhaler.

Adapted from materials provided by Attendance Works.
School-age children enrolled K to 12 must be up-to-date on vaccines based on their grade level for school attendance. Check with your doctor to make sure your child’s vaccinations are up to date.

FOR ATTENDANCE IN ALL GRADES (K - 12)
- Diphtheria, Tetanus, & Acellular Pertussis (DTap) 4 doses
- Polio (IPV) 4 doses
- Measles, Mumps, and Rubella (MMR) 2 doses
- Hepatitis B (HepB) 3 doses
- Chickenpox (Varicella) 2 doses

FOR ATTENDANCE IN 7TH GRADE
- Tetanus, Diphtheria, & Acellular Pertussis (Tdap) 1 dose
- Meningococcal Conjugate (MCV4) 1 dose

FOR ATTENDANCE IN 12TH GRADE
- Meningococcal Conjugate (MCV4) 1 dose

THINGS TO KNOW
- Proof of vaccinations or medical certificate must be provided to your child’s school no later than the first day of their attendance. Parental recall or verbal history of any disease is not accepted.
- Students who do not have proof of all vaccines will not be able to attend school unless an exemption form has been submitted and approved by the Office of Health Services.
- These requirements allow for the following exemptions: medical reasons, religious belief, or philosophical/strong moral or ethical conviction. Even if your child is exempt, he or she may not be able to attend school during an outbreak of vaccine-preventable disease.

For more information on vaccine requirements or how to pursue an exemption, talk to the school nurse or visit philasd.org/vax or call (215) 400-5VAX.
Don’t have a doctor?
VISIT A CITY HEALTH CENTER

Need vaccines for your child but you don’t have a doctor? Visit a Philadelphia city health center! City health centers can give your child the vaccines they need to stay healthy and enter school.

Operated by the Department of Public Health, city health centers accept patients with no insurance, Medicaid, HMO plans, and most other insurance options. Walk-in to any of the centers listed below for more information, or call (215) 685-2933 to schedule a vaccine appointment.

Need proof of a vaccine that was already given? Call the Immunization Hotline at (215) 685-6784, 9:00 am to 5:00 pm, Monday through Friday
